

# TAKE BLUETECH TO NEW DEPTHS

**JOIN US AS WE DIVE IN AND CELEBRATE OUR 21ST  
WORLD CHAMPIONSHIP OF THE MATE ROV COMPETITION!**

**It is time, once again, to bring together our global community and challenge our participants to become the blue tech heroes of tomorrow.**

Last year, the MATE ROV Competition resoundingly accepted the invitation from the United Nations Decade of Ocean Science for Sustainable Development to explore solutions to problems that impact all of us. We create our missions to address these issues in an effort to work towards "delivering the ocean we need for the future we want!"
