# OCEANEERING PILOT AWARDS

**This prestigious award recognizes the exceptional skills and dedication of two students piloting their team to success at the MATE World Championship. The recipients of this award have demonstrated outstanding aptitude in adapting to the unique challenges of ROV piloting, showcasing remarkable precision and consistency in their operations. Much like the Oceaneering ROV Pilots, their ability to navigate complex underwater environments, troubleshoot on-the-fly, and maintain high standards of performance under varying conditions sets them apart as leaders in their field. This award celebrates their excellence, resilience, and commitment to advancing the capabilities of ROV technology.**

# SHARKPEDO LEGACY AWARD

This one's for the bold brains who channel chaos into brilliance. Inspired by the legendary founders, this award honors teams that break the mold, bend the rules (in a good way), and bring wild, original ideas to life. **It's not just innovation - it's legacy-level innovation.** If your build made people say, "Wait....can they do that?" this one's for you.
