

East Tennessee State University

ETSU BUCCANEERS

ETSU Underwater Robotics Program (TN, USA)

Distance from World Championship: 2359.29 KM

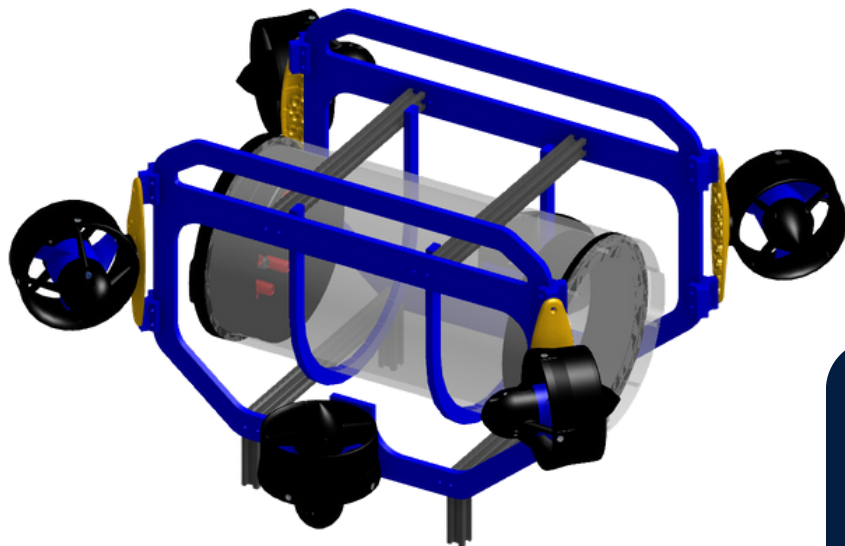

MEET KRAKEN

Total Cost of Build: \$2498.75

Total Hours to Build: 739 Hours

Size: 53.57cm x 43.84cm x 37.30cm

Weight: 10.8kg

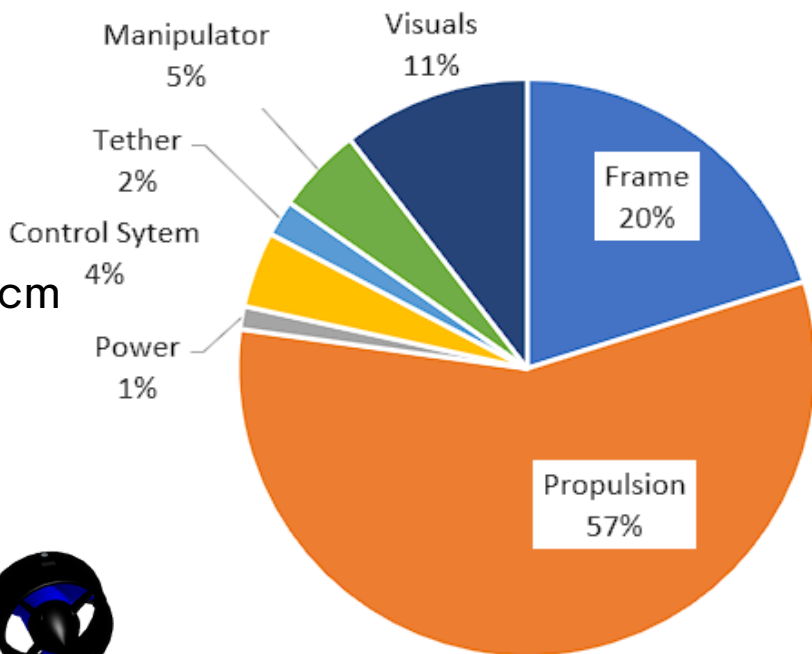

Safety Features

- 3D Printed Motor Shrouds
- Tether Strain Relief
- Inline Fuses
- Kill Switch

Special Features

- Dual Manipulators
- Custom Fabricated Parts

MEET THE TEAM

- Pearson Mills (New, Freshman) - Mechanical Engineer
- Quintin Folkner (Returning, Junior) - Pilot/COO
- Kalista Alley (New, Sophomore) - Mechanical Engineer
- Quintin Bentley (New, Freshman) - Electrical Engineer
- Gavin Bentley (Returning Junior) - CEO
- McKinley Sexton (New, Freshman) - Electrical Engineer
- Nick Sells (Not Pictured) (Returning, Junior) - Software Engineer
