

TAKE BLUETECH *TO NEW DEPTHS*

Join us as we dive in and celebrate our 22nd World Championship of the MATE ROV Competition!

Again this year the MATE ROV Competition is highlighting the United Nations Decade of Ocean Science for Sustainable Development. We created our mission tasks to align with the Decade's "10 Challenges for Collective Impact" and inspire ESG (environmental, social, governance) principles in order to do "good for good" for our ocean planet and global community.
