

Hi all:

A local pool is available for a fee. This is not associated with the MATE ROV Competition (so do not ask MATE staff any specific questions), but there is a pool that can be used for a fee.

Alpena County Plaza Pool
3303 3rd Ave, Alpena, MI 49707 989-354-8287

Available ROV testing times at Alpena High School pool. **\$10 cash.**

Feel free to check it out and practice if needed. As noted, this is not part of the competition - just a local pool willing to host ROVs.
