

# ACTIVE Network Camp & Class Manager

MATE ROV Competition's registration platform is on the ACTIVE Network called Camp & Class Manager. Upon registering, you will be prompted to create a new account, or you may login with your existing ACTIVE account credentials (linked to your email address). Note that MATE ROV Competition administrators cannot reset passwords for your ACTIVE Network account. If you need help resetting your account, please [contact ACTIVE Network](#).

## Registration Tutorial

The Camp & Class Manager platform provides a landing page for the [MATE ROV Competition season](#). Participants can view and select from all available events on this landing page including online courses like the [Fluid Power Quiz](#), or in person Regional qualifiers and World Championship competitions. You can filter these session options based on your preferences such as event type, session mode, and location as well as through the session list or calendar views.

## Event Registration

MATE ROV Competition events will be added to our ACTIVE Network season for team and participant registration as events are announced. These events will be linked directly to each MATE regional event webpage and will be found on this season's ACTIVE landing page. See the example below for the [California - Monterey Bay Regional](#) webpage. The event details shown here will be updated as the regional competition and registration links are announced.

## Monterey Bay Regional

The MATE ROV Competition Monterey Bay Regional is designated for SCOUT, NAVIGATOR and RANGER class competition, hosted at Watsonville, California, and serves as the regional hub for team development in central California.

Registration opens January 27!

2025 Regional Date: **April 26, 2025**

Location: **Watsonville, California**

Classes: **SCOUT/NAVIGATOR/RANGER**

Regional Host Organization: **Marine Technology Society Monterey Bay Section**

## Student Registration

Once the Team Coach has registered a team to participate in the MATE ROV Competition, students will be able to join that team. There is no cost to register a student, only the Team Coach will pay for registration fees. Locate the event site from our [regionals webpage](#) or through the ACTIVE Network landing page. Select the Student tuition-type under your competition class. See example below for RANGER (Student) registration.

🔒 SECURE ONLINE REGISTRATION

Add the tuition selection to your cart and Continue to process your registration.

As noted at the beginning of this tutorial, you may need to create a new registration account for ACTIVE Network Camp & Class Manager. Create the registry by adding the primary email address to manage this account. This email address will receive registration receipts along with confirmation emails from MATE. If you need help resetting your account login, please [contact ACTIVE Network](#).

**Group registration**  
Registration for this session requires joining a group.

Join an existing group  
 Create a new group

GROUP CAPTAIN

✕ 🔍

Test Example Team

Specify the person you are registering to participate under **Who is attending** (select person from drop down if logged in to an existing account) or add your name (or the participant's name), date of birth, and relation to yourself.

The next step is to join a group, or Team, that the Coach has already created. To do this, select the Join an existing group option under the **Group registration** field.

Select your *Team Name* from the drop down list, and enter the *optional password* if set by the Coach. See the *Test Example Team* name selected here in orange.

**Students** - Do not create a new group as it will be deleted. Contact your Team Coach if you cannot locate the registered team name.

Complete the registration questionnaire for the student participant followed by a parent questionnaire (if the student is under 18 years of age). Participation waivers and agreements will then need to be reviewed and approved by the student and/or parent to complete the registration process.

ACTIVE Network will automatically email a receipt for this free transaction followed by a confirmation email from MATE ROV Competition. It is important that participants receive these email communications from MATE so please do not unsubscribe from this ACTIVE registration system as it is the primary method of communication to registered teams.

## MATE Participation Waivers & Supplemental Waivers

Participation in MATE-branded events requires approval of liability waivers, youth protection policies, and a media release along with an ACTIVE Network user account agreement. These waivers are built into the registration process and provide you with access to the complete terms and agreements of each form along with a check box for confirmation. These legal documents must be completed by an adult 18+ years of age.

MATE's regional competition host partners and sponsors may also have waivers and agreements that they request or require for participation in the event. These are Supplemental Form Waivers added to the event registry. Registrants will be prompted via email to complete these supplemental waivers. They are not made available until your registration is processed.

To access supplemental waivers, login to your [ACTIVE account](#) and select My Programs.

Once viewing My Programs, you will see a list of the sessions that you have registered for this competition season, including any other individuals you have registered.

If you are assigned supplemental waivers, these forms will be linked at the bottom of this page. See example below:

Most supplemental forms will require a check box to approve the form waiver, or provide a Yes or No affirmation of your approval. This event requires you to download and complete the form, and then upload the completed form for the regional host. Supplemental forms are required to be completed prior to your participation in MATE events so please take care to complete these legal documents when prompted to do so.

## **Contact MATE**

For additional information or support with your MATE ROV Competition registration, please contact Jody Patterson, Network Development Director & Registrar: [registrar@marinetech.org](mailto:registrar@marinetech.org)
